Summary of Education and Related Provisions of the American Rescue Plan Act

Individuals with Disabilities Education Act (IDEA)

An additional \$2.58 billion is appropriated nationally in grants to State under part B of the Individuals with Disabilities Education Act (IDEA), of which New York State is projected to receive \$155.4 million. An additional \$200 million is appropriated nationally for section 619 IDEA preschool grants, of which New York State is projected to receive \$17.2 million. USDE has not yet released guidance on the way in which these funds are to be used for local grants, SEA discretionary purposes and/or SEA administration.

Higher Education

\$39.6 billion is appropriated nationally for a third Higher Education Emergency Relief (HEER) Fund for allocations to institutions of higher education. IHEs must use at least 50 percent of their allocation to provide emergency financial aid grants to students. These funds are provided directly by USDE to IHEs and do not flow through NYSED.

Non-Public Schools

\$2.75 billion is appropriated nationally for allocations to Governors for a second Emergency Assistance to Non-Public Schools program to provide services until September 30, 2030
