NYS NEXT GENERATION MATHEMATICS LEARNING STANDARDS IMPLEMENTATION WEBINAR

To support educators with the implementation of the [New York State Next Generation Mathematics Learning Standards](#), the Office of Curriculum and Instruction hosted a one-hour webinar earlier this month to present and review existing materials and resources designed for the standards transition. The presentation was recorded and will be published on the Office of Curriculum and Instruction's [mathematics website](#) which may be helpful for faculty in mathematics teacher preparation programs. For questions regarding this webinar, please email standards@nysed.gov

U.S. DEPARTMENT OF EDUCATION WEBINAR ON STRENGTHENING PARTNERSHIPS TO INCREASE THE NUMBER OF TEACHER CANDIDATES

The U.S. Department of Education (USDE) is hosting a webinar on Thursday, April 7 from 3:00 PM to 4:00 PM on "Strengthening Partnerships Between States, School Districts, and Higher Education to Increase the Number of Teacher Candidates Prepared to Enter the Classroom and Provide Immediate Support to Schools". During the webinar, USDE will:

- x discuss the Department's [call to action](#) for states, districts, and institutions of higher education to commit to using American Rescue Plan (ARP) and other federal COVID-19 relief funds to help address teacher shortages
- x share how federal aid and opportunities through the U.S. Department of Labor can be used to address teacher shortages and provide support to schools by establishing or scaling up teaching residency and apprenticeship programs
- x hear from states increasing their investments in a diverse educator pipeline and from educator preparation programs at institutions of higher education that are partnering with districts to scale up their programs and leveraging their residency and apprenticeship programs to provide

s.

Additional information about the webinar and the webinar registration form is available [here](#). Individuals will be sent a Zoom link after they register.
